CALPAC is a voluntary political organization that contributes to candidates for state and federal office who share our philosophy and vision of the future of medicine. Political law and CALPAC policy determines how your contribution to CALPAC is allocated. CMA will not favor or disadvantage anyone based on the amounts of or failure to make PAC contributions, nor will it affect your membership status with the CMA. Contributions to PAC's are voluntary and not limited to the suggested amounts.

Contributions are not deductible for state or federal income tax purposes.

CALPAC is the Voice of the Medical Family in Sacramento!

In 2008 CMA Alliance CALPAC participation increased by 10%. Thank you 2008 members for your support! This increase of membership will provide physicians and the medical family better access to the elected legislators that determine health policy in the state.

CALPAC membership is based on a fiscal year starting November 1 and ending October 30. After November 1st you can send in your checks to the CALPAC office in Sacramento. You can also send dues to Suzanne Jackson, 15984 Grandview Ave., Monte Sereno, CA 95030 and I'll send it in for you. This is the prefered method so that I can keep track of CMAA memberships. I will again keep a tally of Alliance membership for next year's recognition awards. Let's shoot for another increase in Alliance membership!
